Date: 8-16-11

From: Brian Montez Grounds Maintenance Supervisor Rialto Unified School District

Re: Play Smart Surfacing Inc.

To Whom it may concern,

I have been associated with Mr. Rafael Alzaga for the last 5 + years. Mr. Alzaga was the Production Manager on our districts Pre-School project in Rialto. I have had a good working relationship with Mr. Alzaga during his time working with ProDek. He worked very closely with me during the Pre-School project to make sure all was in order and that the safety of our students was of the utmost priority. The work performed was of the highest standards and the materials used were the ones specified for our projects. I have had Mr. Alzaga perform other repairs to our surfacing at many of our other sites besides the Pre-School project and he always made sure that all was completed in a timely manner and of the best craftmanship possible. I will continue to entertain the services of "Play Smart Surfacing Inc." I would without reservation recommend Mr. Rafael Alzaga for any job that he may bid on. You will not be disappointed.

If you have any questions for me please feel free to give me a call.

Thank You,
Brian Montez
