

“QPR: Question, Persuade and Refer” Gatekeeper Training for Suicide Prevention

Anyone can learn these 3 simple steps to help save a life

Just as people trained in CPR and the Heimlich Maneuver help save thousands of lives each year, people trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade, and refer someone to help.

Each year, thousands of Americans like you are saying “**Yes**” to saving the life of a friend, colleague, sibling, or neighbor.

QPR can be learned in this Gatekeeper course in as little as one hour.

**In the United States, one person dies by suicide every 16 minutes.
In San Diego County, one person dies by suicide every day.**

As a QPR-trained Gatekeeper, you will learn to:

- Recognize warning signs of suicide
- Know how to offer hope
- Know how to get help and save a life

Audience: Anyone in a position to recognize a crisis and the warning signs that someone may be contemplating suicide: parents, friends, neighbors, teachers, ministers, doctors, nurses, office supervisors, caseworkers, firefighters, and many others

Cost: Funded by the County of San Diego and offered for *FREE* on behalf of the San Diego County Suicide Prevention Council
