This section looks at how the plans described above fit into the 8 Domains

1 - Outdoor Spaces & Buildings (Part 1)		
PLAN	SECTION	GOAL/OBJECTIVE
IB General Plan (2021)	Land Use	Policy L-4.(a). Commercial and mixed-use areas should be enjoyable places in which to shop and work. This means providing pedestrian scaled design, bicycle facilities, such as racks or storage areas, landscaping of building sites and parking lots, street trees, screening unsightly storage and parking areas and banning out-of-scale advertising. All new commercial developments and major expansions of existing commercial uses should be subject to design controls.
IB General Plan (2021)	Land Use	Policy L-7(f) The retention of an attractive, human scale, beach oriented small town atmosphere requires a high level of street and property maintenance. The City shall promote revitalization of the City through the installation of public improvements such as street and alley lighting, undergrounding of utilities, and street, sidewalk, alley, median and landscape improvements.
IB General Plan (2021)	Parks, Recreation, and Access	Goal 13 The City shall provide adequate parks and recreation amenities for a healthy environment and quality of life
IB General Plan (2021)	Parks, Recreation, and Access	Policy P-1 Opportunities for All Ages, Incomes, and Life Styles, to fully utilize the natural advantages of Imperial Beach's location and climate, a variety of park and recreational opportunities for residents and visitors shall be provided for all ages, incomes and life styles.
IB General Plan (2022)	Mobility	Policy 3.1.8 Facilitate enhanced pedestrian crossings through high visibility marked crosswalks, advance stop pedestrian countdown signals with lead pedestrian intervals at signalized intersections as determined by the city.
IB General Plan (2022)	Mobility	Policy 3.1.10 Install marked crosswalks in locations with high volume of pedestrian traffic
IB General Plan (2022)	Mobility	Policy 3.1.22 Identify and implement improvements to improve pedestrian and bicycle access to coastal and recreational resources such as the beach, Imperial Beach Pier, public parks and Bayshore Bikeway; and to transit stops, schools, and commercial/retail and mixed use land uses
IB General Plan (2022)	Mobility	Policy 3.4.5 Strategically locate public plazas, pocket parks, and public art in all neighborhoods to improve
IB General Plan (2022)	Mobility	Policy 3.4.6 Encourage pedestrian scale lighting, especially within the commercial areas and adjacent to public transit.
IB General Plan (2022)	Mobility	Policy 3.5.10 - Explore collaboration options with the school district to establish regular high-season parking
IB General Plan (2022)	Land Use- Sustainable Development	Section 30211: Development not interfere with the public right of access to the sea
IB General Plan (2022)	Land Use- Sustainable Development	Section 30212: Provides for public access in new development projects with limited exceptions where exists nearby
IB General Plan (2022)	Land Use- Sustainable Development	Section 30212: Specifies the need to protect ocean front land suitable for recreational use
IB General Plan (2022)	Land Use-Sustainable Development	Section 30222: Gives priority to the use of land suitable for visitor serving recreational facilities over certain other uses

This section looks at how the plans described above fit into the 8 Domains

1 - Outdoor Spaces & Buildings (Part 2)

An age-friendly community includes public places to gather indoors or out, and places where residents can get some fresh air, such as by visiting parks, walking nature trails, or just sitting on a bench.

PLAN	SECTION	GOAL/OBJECTIVE
IB General Plan (2022)	Land Use- Sustainable Development	Section 30223: Requires the protection of upland areas to support coastal recreation, where feasible
IB General Plan (2022)	Land Use- Sustainable Development	Section 30224: Encourages recreational boating use of coastal waters
IB General Plan (2022)	Land Use- Sustainable Development	Section 30220: Protects coastal areas suited for water-oriented recreation for such activities
IB General Plan (2022)	Land Use- Sustainable Development	Policy 2.2.3 Encourage adaptive reuse of buildings and sites to utilize existing infrastructure while enhancing the character
IB General Plan (2022)	Land Use- Sustainable Development	Policy 2.2.5 Adopt sea level rise adaptation approaches that both preserve public access and public and private infrastructure. Objective: commitment to a smart growth land use pattern with the highest development densities/intensities occurring within the transit-served urban core are not be limited to, new or widened sidewalks, high visibility crosswalks, pedestrian countdown signal heads, traffic calming features, bicycle facilities, bicycle racks, regularly spaced pedestrian-scale lighting, seating, tree planting, and signage.
IB General Plan (2022)	Land Use- Sustainable Development	Policy 2.3.4 Maximize the proportion of residences within a quarter mile of uses like parks, schools, grocers, retailers, service providers, employment, public transportation, and other desirable community . features
IB General Plan (2022)	Conservation and Development	Policy 2.4.4 - Provide for and encourage the development of a broad range of uses in the City's commercial
IB General Plan (2022)	Parks, Recreation, & Coastal Access	Policy 4.3.6 Require that new development in or adjacent to the City's mapped Open Space/Areas of
IB General Plan (2022)	Parks, Recreation, & Coastal Access	Policy 5.1.1 - Provide a variety of facilities and programs to meet the recreational needs of a diverse population, including children, teens, adults, persons with disabilities, elderly, and visitors.
IB General Plan (2022)	Parks, Recreation, & Coastal Access	Policy 5.1.12 - Strive for equity in the provision of park/recreational/open space facilities so that all residents
IB General Plan (2022)	Parks, Recreation, & Coastal Access	Policy 5.1.14 - In addition to park land, pursue other park system improvements such as enhanced sports
IB General Plan (2022)	Parks, Recreation, & Coastal Access	Policy 5.2.1 - Maintain free public beach access.
IB General Plan (2022)	Parks, Recreation, & Coastal Access	Policy 5.2.12.- Limit new public beach structures to those that support or enhance public recreation or
IB General Plan (2022)	Parks, Recreation, & Coastal Access	Policy 5.2.15 New development should be designed to be the alternative with the least impact on coastal
IB General Plan (2022)	Facilities and Services	Policy 6.1.2 - Maintain an up-to-date Capital Improvement Program in order to effectively plan and budget
IB General Plan (2022)	Design	Policy 6.4.6 - Require improvements to existing sidewalks, or construction of new sidewalks with all building permits for construction above a certain threshold. Seek to maintain non-contiguous landscaped parkways to
IB General Plan (2022)	Design	Policy 8.1.3 - Require development design - including neighborhoods, streets, and individual properties - that
IB General Plan (2022)	Design	Policy 8.1.9 - Provide open space in all residential developments as appropriate to the needs of the residents and the types of units.
IB General Plan (2022)	Design	Policy 8.1.11 - Where separate units face onto a common open space, the design should relate specific portions of the open space to each unit. This has been shown to increase individual responsibility for
IB General Plan (2022)	Design	Policy 8.2.7 - Support long-term property maintenance and community revitalization to retain and enhance the attractive, human-scale, beach- oriented small-town atmosphere.

2 - Transportation (Part 1)		
An age-friendly community includes ways for older people and non-drivers to get where they need to go.		
PLAN	SECTION	GOAL/OBJECTIVE
SANDAG CTP (2018)	Ch. 8, Goals/Vision	Regional Economic Property Objective: Invest in transportation projects that provide access to a variety of jobs with competitive wages for all communities
SANDAG CTP (2018)	Ch. 8, Goals/Vision	Mobility Choices Objective: Provide safe, secure, healthy, affordable, and convenient travel choices between the places where people live, work, and play
SANDAG CTP (2018)	Ch. 8, Goals/Vision	Mobility Choices Objective: Take advantage of new technologies to make the transportation system more efficient and accessible
SANDAG CTP (2018)	Ch. 8, Goals/Vision	Healthy and Complete Communities Objective: Connect communities through a variety of transportation choices that promote healthy lifestyles, including walking and biking
SANDAG CTP (2018)	Ch. 8, Goals/Vision	Goal 3: Offer a network of affordable and accessible public and specialized transportation services that are productive, coordinated, convenient, and appropriate for the markets being served
SANDAG CTP (2018)	Ch. 8, Goals/Vision	Goal 4: Offer accessible public and specialized transportation services in San Diego that are reliable, offer competitive travel times to major destinations, and provide consistent travel times for the same trip and
SANDAG CTP (2018)	Ch. 8, Goals/Vision	Goal 5: Provide an accessible transit network in the urban areas that offers frequency and span of service to support spontaneous use for a wide range of needs to support a diverse economy
SANDAG CTP (2018)	Ch. 8, Goals/Vision	Goal 7: Offer accessible public, lifeline, and specialized transportation services in San Diego to all populations, without discrimination on the basis of race, color, language, national origin, or disability
Age Well (2018)	Transpo. Goal 2	Institute regional planning policies to promote smart growth.
Age Well (2018)	Transpo. Goal 4	Implement a comprehensive regional transit policy.
Age Well (2018)	Transpo. Goal 5	Develop a coordinated, innovative rideshare mobility system for all users.
IB CAP (2019)	Ch. 2. Planning for Climate Change - Transportation	Four primary methods to reduce transportation methods:
		1) Deploy clean vehicles and support clean transportation infrastructure.
		2) Reduce driving and shorten commutes through mixed use development and smart growth.
		3) Increase public transit ridership.
IB CAP (2019)	Ch. 4 Emissions Reduction Measures	4) Increase biking, walking, and other first mile/last mile modes.
		Strategy: Clean and Efficient Transportation- T.1 Increase Citywide Electric Charging Stations
IB CAP (2019)	Ch. 4.6 The Carbon Sequestration	T.3: Increase Mass Transit Ridership-Coordinate with MTS to identify transit connectivity opportunities that Collaborate with SANDAG to ensure that the RTP includes transit investments that improve transit service and
		T.4: Improve Bicycle and Pedestrian Facilities
IB CAP (2019)	Ch. 4.6 The Carbon Sequestration	Make changes to the City code to required tree planting in new and redeveloped residential and commercial developments.

ESSENTIAL FEATURES OF AGE FRIENDLY CITIES (By WHO)

Checklist Features*

*Checked features are a result plan findings and site observations

Progress Check

PLAN	SECTION	GOAL/OBJECTIVE	
IB General Plan (2022)	Ch 3. Mobility Element	Goals: A city with safe, efficient and complete streets that meet the needs of all users. A pedestrian-oriented small beach town atmosphere where people can comfortably and safely walk or Provision of a coordinated land use and mobility system that support sustainable development, mobility A well-connected mobility network that embraces innovative technologies and supports mobility choices to reduce greenhouse gas emissions and vehicle miles traveled (VMT)	
		Pedestrian- Maintaining a connected sidewalk network with intersection crossings that improve safety is a Landscaping and traffic calming measures are encouraged to create comfortable pedestrian environment. Bicycle- Bicycle routes are recommended for Neighborhood Connectors.	
		Veicular- Neighborhood Connectors can be designed to slow vehicular speeds through traffic calming features such as: curb bulbouts/extensions, speed humps or lumps, and chicanes. Roundabouts and neighborhood traffic circles can be utilized to slow vehicles while improving operations.	
		Complete Streets Principles- Policies 3.1.1 Incorporate Complete Streets principles into all transportation projects at all phases of development 3.1.5 Consider emergency vehicle response times prior to implementing in-road features.	
IB General Plan (2022)	Ch 3. Mobility Element Policies	Multi-Modal Street Design and Access- Policies 3.1.7 Ensure that all streets and highway designs further the goal of providing safe and efficient mobility for 3.1.18 Integrate infrastructure of features that improve mobility for pedestrians, bicyclists, and public transit 3.1.20 Ensure that transportation infrastructure, such as sidewalks, crosswalks, and public transit stops are 3.1.21 Prioritize implementation of infrastructure and street design features that improve or promote the	
		Public Transit- Policies 3.2.1 Coordinate with regional planning and transportation agencies to improve public transit services in the 3.2.6 Ensure existing and future public transit stops are clearly identified and accentuated with amenities	
		Bicycle Mobility- Policies 3.3.1 Ensure the City’s Bikeway Plan provides for the safe and efficient mobility of bicyclists.	
		Pedestrian Mobility-Policies 3.4.1 Require that sidewalks be provided for all new developments.	
		3.4.4 Provide context sensitive pedestrian amenities (e.g. seating, public art, trash receptacles, shading, street, trees, etc.) to emphasize pedestrian mobility and create a more inviting environment.	

<input checked="" type="checkbox"/>	Public transportation costs are consistent, clearly displayed and affordable.	<input type="checkbox"/>
<input checked="" type="checkbox"/>	Public transportation is reliable and frequent, including at night and on weekends and holidays.	<input type="checkbox"/>
<input checked="" type="checkbox"/>	All city areas and services are accessible by public transport, with good connections and well-marked routes and vehicles.	<input type="checkbox"/>

3 - Respect & Social Inclusion (Part 1)			ESSENTIAL FEATURES OF AGE FRIENDLY CITIES (By WHO)	Progress Check
An age-friendly community listens to its older residents and includes them in activities for all ages.			Checklist Features	
PLAN	SECTION	GOAL/OBJECTIVE		
IB General Plan (2021)	Facilities and Services Element	F-5: The existing Civic Center complex shall remain as Imperial Beach's focus for public service.	<input checked="" type="checkbox"/> Older people are regularly consulted by public, voluntary and commercial services.	<input type="checkbox"/>
IB General Plan (2021)	Circulation Element	C-13: The quality of life and economic vitality of Imperial Beach is dependent upon a safe and efficiently operating circulation system that provides for pedestrians, bicycles, trucks, automobiles and public transportation.		
IB General Plan (2021)	Community Profile	H-6: Understanding the characteristics of a population is vital in the process of planning for the future needs of a community.	<input checked="" type="checkbox"/> Services and products to suit varying needs and preferences are provided by public and commercial services.	<input type="checkbox"/>
IB General Plan (2021)	Community Profile	H-66: These on- and off-site improvements promote the health, safety and general welfare of the public.		
IB General Plan (2021)	Parks and Rec Element	P-9: Maintaining a balanced healthy environment and quality of life for residents and visitors.	<input checked="" type="checkbox"/> Service staff are courteous and helpful.	<input type="checkbox"/>
IB General Plan (2021)	Parks and Rec Element	P-9: Opportunities For All Ages, Incomes, and Life Styles	<input checked="" type="checkbox"/> Older people are visible in the media, and are depicted positively and without stereotyping.	<input type="checkbox"/>
IB General Plan (2022)	Land Use Element	Goals L-1: An inclusive town with a human scale and a relaxed pace of life		
IB General Plan (2022)	Land Use Element	Goals L-1: A city with equitable and healthy communities that treats people of all races, cultures, and incomes with fairness and respect in the activities, development, and regulation of the City	<input checked="" type="checkbox"/> Community-wide settings, activities and events attract all generations by accommodating age-specific needs and preferences.	<input type="checkbox"/>
IB General Plan (2022)	Land Use Element	Coastal Act Policies L-5: The public's right to access is supported by the availability of adequate parking, public transportation, and multi-modal facilities to serve coastal access and recreation uses.		
IB General Plan (2022)	Land Use Element	Policies L-5: Maintain a balanced community, with an appropriate mix of residences, workplaces, and services.	<input checked="" type="checkbox"/> Older people are specifically included in community activities for "families".	<input type="checkbox"/>
IB General Plan (2022)	Mobility Element	3.1.18 Integrate infrastructure or features that improve mobility for pedestrians, bicyclists, and public transit riders of all ages and abilities into all street design projects.		
IB General Plan (2022)	Mobility Element	3.6.6. Measure the reach of programmatic efforts related to pedestrian, bicycle, and public transit activities.	<input type="checkbox"/> Schools provide opportunities to learn about ageing and older people, and involve older people in school activities.	<input type="checkbox"/>
IB General Plan (2022)	Conservation & Ecotourism	4.2.1 a: Foster partnerships, volunteerism, and citizen action to support the urban forest.		
IB General Plan (2022)	Parks and Rec Element	Goals: A city with abundant public beaches, parks and recreational amenities to support a healthy environment and high quality of life for residents and visitors	<input checked="" type="checkbox"/> Older people are recognized by the community for their past as well as their present contributions.	<input type="checkbox"/>
			<input checked="" type="checkbox"/> Older people who are less well-off have good access to public, voluntary and private services.	<input type="checkbox"/>

PLAN	SECTION	GOAL/OBJECTIVE
Bigger Picture (2022)	Chap 1	2022 Resident survey indicated the highest priority of residents remains "clean and safe neighborhoods."
Bigger Picture (2022)	Chap 2	Staff will reach out to the existing multifamily housing units to identify barriers for building renovations from property owner and community concerns about the neighborhood from tenants that live in the area. Results will be incorporated in the 13th Street Community Corridor Plan.
Housing Element (2021)	Section 2.4.1	Roughly 42 percent of Imperial Beach’s senior population was estimated as having one or more disabilities by the 2014-2018 ACS. Among these disabilities, the most common were ambulatory difficulties (69%) that limited/prevented seniors from going outside the home and hearing difficulties (39%). One licensed residential care facility for the elderly is located in IB, offers 32 beds.
Housing Element (2021)	Section 4.1.3	The City is in the process of updating its Accessory Dwelling Unit (ADU) Ordinance. This Housing Element also includes a program to facilitate the development of ADUs. (25 ADUs permitted in 2020 and expected to
Housing Element (2021)	Section 5.1	Major issue areas are addressed by the goals and policies of the Housing Element: 1) Provide a broad range of housing types to meet the needs of existing and future residents 2) Identify and promote adequate sites for future residential development 3) Increase opportunities for homeownership 4) Ensure that existing housing is maintained and preserved 5) Promote equal housing opportunity for all.
Housing Element (2021)	Section 5.1.1	Goal 1) Meet the housing needs of existing and future needs of the community. Policy 1.1: Accommodate a variety of housing types to meet the needs of all residents. Policy 1.2: Facilitate development of affordable housing through use of financial and/or regulatory incentives. Policy 1.3: Encourage the development of residential units and the provision of related services for special needs groups, including the elderly, large households, single parents, persons with disabilities, and the

4 - Housing		
An age-friendly community has housing suitable for older adults.		
PLAN	SECTION	GOAL/OBJECTIVE
Housing Element (2021)	Section 5.1.2	Goal 2) Provide adequate housing sites through appropriate land use designations, zoning districts, and residential development standards to accommodate the City’s share of the regional housing need. Policy 2.2: Promote mixed-use development and accessory dwelling units in appropriate districts to facilitate smart growth and reduction in automobile trips, vehicle miles traveled, and associated energy consumption. Policy 2.3: Ensure that residential development sites have appropriate and adequate services and facilities
Housing Element (2021)	Section 5.1.4	Goal 4) Maintain, preserve, and enhance existing housing to build stronger and more vibrant residential neighborhoods. Policy 4.2: Facilitate preservation of housing affordable to lower and moderate income housing. Policy 4.5: Encourage resident involvement in identifying and addressing the maintenance of housing in their neighborhood.
Housing Element (2021)	Section 5.1.5	Goal 5) Ensure that all residents have equal housing opportunities.. Policy 5.2: Promote housing along with supportive services to meet the special housing needs of seniors, homeless individuals and families, and the disabled. Policy 5.4: Facilitate increased participation among traditionally underrepresented groups in the public decision making process.
SANDAG CTP (2018)	Ch. 8, Goals/Vision	Healthy and Complete Communities Objective: Increase the supply and variety of housing types – affordable
Age Well (2018)	Housing Goal 3	Institutionalize a coordinated approach to creating and financing affordable housing stock.
Age Well (2018)	Housing Goal 4	Develop comprehensive supports associated with housing for successfully aging in community.

6 - Civic Participation & Employment

An age-friendly community provides ways older adults can, if they choose, work for pay, volunteer their skills, and stay actively engaged in community life.

ESSENTIAL FEATURES OF AGE FRIENDLY CITIES (By WHO)

Checklist Features

Progress Check

*Checked features are a result plan findings and site observations.

PLAN	SECTION	GOAL/OBJECTIVE
IB General Plan (2022)	Page L-1	GOAL: A city with equitable and healthy communities that treats people of all races, cultures, and incomes fairness and respect in the activities, development, and regulation of the City
IB General Plan (2022)	Page L-5	GENERAL POLICY: The public's right to access is supported by the availability of adequate parking, public transportation, and multi-modal facilities to serve coastal access and recreation uses.
IB General Plan (2022)	Page L-15 LJHC Sec 2.5	BKGRND: "...everyone has equal access to, and meaningful participation in, the decision-making process to have a healthy environment in which to live, learn, and work."
IB General Plan (2022)	Page L-18, 19 Promote Civic Engagement 2.7.11	Proactively and meaningfully engage community residents in the planning and development process, including public infrastructure plans and projects. See additional detail: Use culturally-appropriate and accessible channels, including: providing appropriate language Services; providing child care; holding meetings, focus groups, and/or listening sessions at a variety of venues throughout the community; and using participatory facilitation techniques. Make special efforts to reach disproportionately burdened communities, including scheduling meetings at and locations most convenient to community members. Consult with California Native American tribes to provide them with an opportunity to participate in local land use decisions at an early planning stage, for the purpose of protecting, or mitigating impacts to cultural places See also the Conservation and Ecotourism Element. Implement development policies to protect public health, safety, and welfare equitably among all segments of the population. Address the needs of those who are disenfranchised in the process.
IB Bike (2008)	Design Guidelines 9.1.3	Bicycle Advisory Committee: Public involvement can be promoted through the formation of a bicycle advisory committee as a new city committee, or as a subcommittee of an appropriate existing committee. Its primary benefit would be in providing an avenue for public participation and support.
Bigger Picture (2022)	Page 2	BKGRND: The contents of the Big Picture were generated through significant public outreach and participation including wide distribution of questionnaires, several community meetings, and document review and refinement in official meetings of the City Council.
Bigger Picture (2022)	Page 10	STRATEGY: Where feasible, consider collaborating with local CBOs and community leaders to facilitate the creation of an Equity Working Group such as neighborhood or district groups to consult/engage on projects.
Bigger Picture (2022)	Page 13; Relationships and Partnerships	GENERAL: The City Manager is the staff member assigned to enhance and expand external relationships, City Council efforts and the off-campus departments. The City Manager must continue to maintain and foster relationships and partnerships that will enhance the ability of the City to enhance the quality of life for residents, strengthen the City's business climate, and improve visitor experiences.

A range of flexible options for older volunteers is available, with training, recognition, guidance and compensation for personal costs.

The qualities of older employees are well promoted.

A range of flexible and appropriately paid opportunities for older people to work is promoted.

Discrimination on the basis of age alone is forbidden in the hiring, retention, promotion and training of

Workplaces are adapted to meet the needs of disabled people.

Self-employment options for older people are promoted and supported.

Training in post-retirement options is provided for older workers.

Decision-making bodies in public, private and voluntary sectors encourage and facilitate membership of older people.

8 - Social Participation		
In an age-friendly community, there are places for older adults to go for fun, enjoyable activities for them to do, and ways to stay socially connected.		
PLAN	SECTION	GOAL/OBJECTIVE
Bigger Picture (2022)	Social Accessibility and Equity	Join the San Diego Regional network and AARP national network of Age Friendly Cities.
Bigger Picture (2022)	Social Accessibility and Equity	Facilitate and support the creation of local Community Based Organizations (CBOs) to better enhance and engage the local community.
Bigger Picture (2022)	Social Accessibility and Equity	Where feasible, consider collaborating with local CBOs and community leaders to facilitate the creation of an Equity Working Group such as neighborhood or district groups to consult/engage on projects.
Bigger Picture (2022)	Social Accessibility and Equity	Address outreach strategy and budget for equitable, inclusive outreach on the onset of projects.
Bigger Picture (2022)	Social Accessibility and Equity	Incorporate equity policies and language in the guiding documents for the City where feasible.
Bigger Picture (2022)	Social Accessibility and Equity	Provide/develop high-quality youth development programs in the Parks and Recreation Department to increase local youth participation in youth development programs
Bigger Picture (2022)	Social Accessibility and Equity	Develop and implement an Affirmative Fair Marketing Plan (AMP) that emphasizes marketing to the minority and low-income concentration areas.
Bigger Picture (2022)	Social Accessibility and Equity	Facilitate and support the creation of local Community Based Organizations (CBOs) to better enhance and engage the local community.
Bigger Picture (2022)	13th Street Community Corridor Improvements	170 Palm (name forthcoming) will be the center of the lifestyle enrichment and recreation programs of the City. The building will be a place where all residents can come to participate in community-based education and recreation, but also a place where residents can learn about Federal, State, County and City programs that can help them improve their everyday lives. The building will be a catalyst for economic activity on "Old Palm Avenue" and every resident will use the space for education, recreation, public meetings, conferences, public services, and similar uses.
Bigger Picture (2022)	Events, Activities & Cultural Exchange	Update the Recreation and Event Facilities to Accommodate Better Events
SANDAG CTP (2018)	Ch. 8, Goals/Vision	Healthy and Complete Communities Objective: Create great places for everyone to live, work, and play
Age Well (2018)	Social Partic. Goal 1	Create policies and practices that facilitate intergenerational engagement and the development of shared spaces for intergenerational activity.
Age Well (2018)	Social Partic. Goal 2	Implement and expand recreational and educational programming that is safe, dementia-friendly, and diverse.
Age Well (2018)	Social Partic. Goal 3	Create and implement a targeted social support outreach, engagement, and education plan, especially for those who are isolated.
Age Well (2018)	Social Partic. Goal 4	Develop leadership and empowerment opportunities for aging adults.
