

# CITY OF IMPERIAL BEACH Environmental Scoping Meeting Comment Card

## The City of Imperial Beach Invites Your Comments on Environmental Issues

A Notice of Preparation (NOP) pursuant to the California Environmental Quality Act (CEQA) and the City of Imperial Beach Guidelines has been released for a 30-day comment period that began on April 14, 2011. The purpose of the NOP is to solicit input from individuals, organizations, and public agencies on environmental issues that should be addressed in the Environmental Impact Report (EIR) being prepared for the Imperial Beach Commercial Zoning Amendments and General Plan/ LCP Amendments. Space is provided below for your input to be included in this public comment process.

The NOP included an Initial Study that identified the following potentially significant environmental issues to be addressed in the EIR:

- Aesthetics
- Greenhouse Gas Emissions
- Population/ Housing
- Transportation/ Traffic
- Cultural Resources
- Public Services
- Air Quality
- Hydrology/ Water Quality
- Noise
- Recreation

Please use the space below to record your comments, adding additional sheets if necessary. Your comments should address the following questions:

1. What do you believe to be the specific environmental impacts of the project?
2. What do you suggest as alternatives to the proposed project to avoid or reduce the impact?
3. What do you suggest as mitigation measures that would avoid or reduce the impact?
4. Are there additional environmental issues that should be addressed?
