

CONSERVATION & REBATES

California American Water offers rebates for water-saving appliances. To download an application and learn more about qualifying devices and other details, visit www.californiaamwater.com or call the California American Water conservation office at (619) 522-6407.

TOILETS

Toilets and urinals are the largest source of indoor water use in most homes and businesses. They can consume as much as 3.5 to 8 gallons per flush. Take advantage of savings on new high efficiency models:

- **\$50** – Residential High Efficiency Toilet 1.28 gpf

WASHING MACHINES

Clothes washers are generally the second largest domestic indoor water user. Low water consumption models save money on your water and energy bills.

- **\$85** – Residential High Efficiency Clothes Washer (HECW): Water Factor 5.0 or less

IRRIGATION

In many homes, automatic sprinkler systems are the largest source of water use. Over-watering is a common problem that in addition to wasting water is unhealthy for plants. New technologies adjust watering systems to local temperature and precipitation conditions. California American Water offers free Water Wise House Calls to help you determine the most efficient watering plan for your landscape. Call (619) 522-6407 to make an appointment.

Water offers free Water Wise

House Calls to help you determine the most efficient watering plan for your landscape. Call (619) 522-6407 to make an appointment.

- **\$80/controller** – Residential Weather-Based Irrigation Controller (WBIC): For less than 1 acre of landscape
- **\$25/station** – Residential Weather-Based Irrigation Controller (WBIC): For more than 1 acre of landscape
- **\$4/nozzle** – Residential Rotating Sprinkler Nozzles: Minimum quantity is 15 nozzles

RESIDENTIAL TURF REMOVAL PROGRAM

Earn a rebate up to \$1,500 for converting your residence's live turf to a California native, drought tolerant landscape.

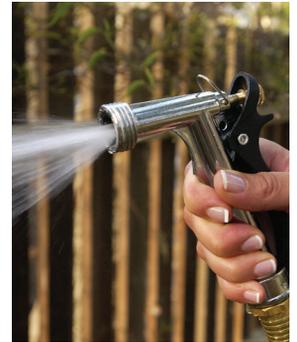

- **\$1.00 per sq. ft.** up to 1,500 sq. ft.

SAVE YOUR RECEIPTS

Receipts for all appliances and parts must be submitted with your rebate application. Rebates are available on a first come, first serve basis. Applications must be submitted within 120 days of appliance purchase and installation.

FREE DEVICES

California American Water offers customers free water-saving devices including low-flow showerheads, faucet aerators, hose nozzles, moisture meters and more! Stop by California American Water's local office at 1019 Cherry Avenue, Imperial Beach, CA 91932 during normal business hours to pick up your free water conservation devices!

WATER WISE HOUSE CALLS

All customers are eligible for a free program that will help you save water and money. With just a phone call, one of our friendly conservation specialists will visit your home or business to identify ways you can save water both indoors and out. The audits take from 20 minutes to one hour, in which our conservation specialists will check your irrigation systems for leaks, teach you to read your meter and create an individualized, annual watering schedule for your landscape. Contact our conservation staff today at (619) 522-6407 to make an appointment for this valuable service.
