I love the City of Imperial Beach and have lived here since 1976. I attended Bayside Elementary, Mar Vista Jr. High, and Mar Vista High School. I have been a Chef for the past 25 years. For the last 17 years my family has lived in the heart of District 2. My hobby is vintage VW's.

My goals: Maintain public safety as a high priority for all residents
Return a sense of balance to the City Council. Ensure the City Council and City Staff engage residents in decision-making process. Oppose high-density housing policies currently proposed and embraced by the current City Council. Foster a more business-friendly environment at City Hall. Work to limit outside influences and funding that does not represent the needs and desires of the Imperial Beach residents.

I will give the residents of District 2 someone they can trust to represent them with genuine concern and integrity. I will help bring more transparency and constant communication from the City to residents. I will listen to their needs and desires and make sure District 2 is represented in City Council meetings. I am an advocate for grassroots, community-centered organizations not currently being acknowledged by the City. I promise to keep the heart and soul of Imperial Beach true to the classic beach town.

I understand I am responsible for the cost of this statement.	Cost of the Statement:

Mark West
Imperial Beach Councilmember

After 24 years as a Naval officer, it's been my honor to continue serving the community that my wife Megan and I have called home for nearly 15 years.

As a councilmember, I've helped lead major accomplishments for I.B.:

We developed a ground-breaking climate action plan to protect our quality of life. We brought home \$300 million from the federal government to clean up the Tijuana River, preserving habitat and protecting our coast. And we've secured access to good paying jobs on projects like the San Diego Airport and regional transportation infrastructure.

As we face new challenges presented by coronavirus, I will always put our community first, protecting at-risk residents like seniors and children. Building on what we've accomplished, we're going to focus on housing affordability, public safety, and supporting local business.

I've earned the trust of the people you trust to protect the community - leaders like Mayor Dedina, Senator Atkins, and Congressman Vargas, plus the San Diego Democratic Party and the San Diego & Imperial Counties Labor Council. I'm asking for your vote in District 2 so we can continue the work we've started to protect I.B., today, and into the future.
